

Hibiscus Plc
THE PRINTING PLANT

Hazchem and Vehicle Marking Solutions

Hibiscus produces a wide variety of labelling solutions for the transportation of hazardous goods. We supply pre-printed Hazchem/Kemlar/ADR panels, plus a 'One-Off Panel Service' - possibly the only service of its kind in the UK where we make-up, by hand, using the component parts, individual Hazchem Panels, ADR Panels or Compartment Panels to your own requirements.

We also supply:-

- Specialist advice panels
- Panel holders
- Warning Diamonds
- Individual Fire Resistant Numbers and Letters
- Dangerous Goods Notes
- Standard Shipping Notes
- IATA Documents
- Instructions in Writing
- Handling/Shipping Labels
